

ACAMANAGER

You chose **benefitsCONNECT®** benefits administration technology from Pappas Financial for *best-in-class* online benefits administration, service and support. Now you can enjoy ACA compliance with the same confidence.

ACAManager is a large-scale ACA compliance solution for employer groups. Unlike competitive products, ACAManager unites comprehensive benefits administration technology with a compliance solution designed to mitigate risks and safeguard your company from costly penalties.

ACAManager “Pay or Play” Strategy

- ◆ Setup company information
- ◆ Interactive “Pay or Play” calculator with real-time “Pay or Play” assessment
- ◆ Determine applicable large group status
- ◆ Determine FTE equivalency
- ◆ Determine penalties based on transition relief or standard rules

ACAManager Measurement Periods

- ◆ Setup multiple measurement, administrative and stability periods based on employer categories.
- ◆ Track, review and manage initial measurement & standard measurement periods.
- ◆ Periods can be classified by employee categories and divisions outlined in benefitsCONNECT.

ACAManager Analytics

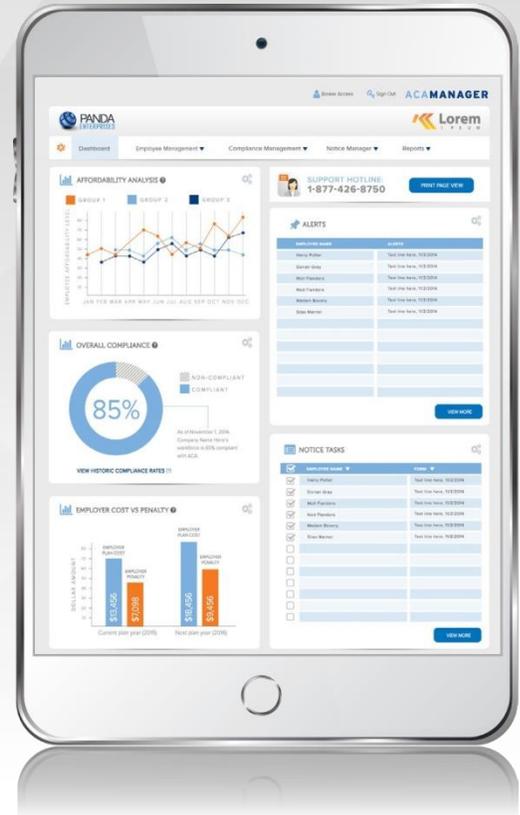

- ◆ Review employer affordability ratio
- ◆ Identify company compliance
- ◆ View alerts monitoring employee status changes
- ◆ View real-time statistics of employer “Pay or Play” calculator based on hours loaded.

ACAManager Notifications

- ◆ Automatic triggering of model exchange notices
- ◆ Track & manage open notice submissions
- ◆ Customize email content

ACAManager Reporting *coming soon...*

- ◆ Signature ready forms
- ◆ 6055 and 6056 reporting
 - ◆ 1094-B, C
 - ◆ 1095-B, C
- ◆ E-file available

Maintain data integrity and accuracy with the powerful integration of **benefitsCONNECT** and **ACAManager**.
